Circular

Attention is invited to Circular No. 03-01-2018-IGST dated  
25-05-2018 issued by GST Policy Wing Central Board of Indirect  
Taxes and Customs whereby applicability of integrated tax on goods

690 The J&K Govt. Gazette, 7th March, 2019/16th Phal., 1940. [No. 49  
transferred/sold while being deposited in a warehouse (hereinafter  
referred to as the 'warehoused goods') was clarified. In the said  
circular, it was enunciated that from 1<sup>st</sup> of April, 2018, the supply  
of warehoused goods before their clearance from the warehouse  
would not be subject to the levy of integrated tax.

2. It has been brought to notice of the undersigned that during the period from 1<sup>st</sup> of July, 2017 to 31<sup>st</sup> of March, 2018 (hereinafter referred to as the 'said period'), the common portal did not have the facility to enable the taxpayer to report payment of integrated tax, in the details required to be submitted in FORM GSTR-1, for such supplies especially where the supplier and the recipient were located in the same State or Union Territory. Hence taxpayers making such supplies were required to report such supplies as intra-State supplies and discharged central tax and state tax instead of integrated tax accordingly. Now, representations have been received from trade to clarify the same.
3. In order to ensure uniformity in the implementation of the provisions of law across the field formations, I, Commissioner, State Taxes, Jammu and Kashmir in exercise of its powers conferred by section 168 (1) of the Jammu and Kashmir Goods and Services Tax Act, 2017, hereby issue the following instructions.
4. Supply of warehoused goods while deposited in custom bonded warehouses had the character of inter-State supply as per the provisions of Integrated Goods and Services Tax Act, 2017. But, due to non-availability of the facility on the common portal, suppliers have reported such supplies as intra-State supplies and discharged central tax and state tax on such supplies instead of integrated tax. In view of revenue neutral position of such tax payment and that facility to correctly report the nature of transaction in

FORM GSTR-1 furnished on the common portal was not available during the period July, 2017 to March, 2018. It has been decided that as a one-time exception, suppliers who have paid central tax and state tax on such supplies during the said period would be deemed to have complied with the provisions of law as far as payment of tax on such supplies is concerned as long as the amount of tax paid as central tax and state tax is equal to the due amount of integrated tax on such supplies.

5. Difficulty, if any, in the implementation of this Circular may be brought to the notice of the undersigned.

(Petitioners)	(Respondent)

In the Matter of :ô Petition under section 15 (2) of Payment of Wages  
Act for recovery of the unpaid amount of wages earned  
during the period of two months (59 days).

A joint application (Petition) was preferred u/s 16 of the Payment of Wages Act by the 10 (ten) numbers of applicants through their counsel for recovery of their earned delayed wages under section 15(2) for execution of work in the shape of making of motorable road, laying of pipes, making of lanes and drains etc. allotted to the Respondent No. 1 by the Government stating therein that the petitioners were engaged as labourers by the Respondent No. 2 through Respondent No. 1 w. e. f. 01.01.2009 to 28.02.2009 i. e. for about two months. Therefore, the Petitioners were engaged for work by respondent No. 1 on behalf of respondent No. 2 and they worked for the respondent No. 2 continuously for two months which the respondent No. 2 also affirmed and allowed the petitioners by checking

No. 45-8] The J&K Govt. Gazette, 7th Feb., 2019/18th Magha, 1940. 3  
 the work quality and skill of the petitioners after having spot inspection. The  
 petitioners worked regularly by giving more time than the usual working  
 hours for earlier completion of the work as respondent No. 1 made a  
 commitment on behalf of the respondent No. 2 that the wages of the  
 petitioners will be paid as soon as they will complete the work and also  
 promised them to pay the EXTRA wages and more money in the form of  
 bonus which was also affirmed by the respondent No. 2.

The statement of the claim petition shows the details of the work done  
 and the wages earned by the petitioners are given as under :

Name	Labour	Period	Total attendance	@rate	Total labour charges
1	2	3	4	5	6
Mohd Nasib	20	1 Jan. to 28 Feb.	1180 days	Rs.150	Rs.177000

liability of respondent No. 2 to pay the wages of the petitioners immediately  
after the completion of work and it is only because of the default of the  
respondent No. 2 (Company) the petitioners have suffered and have filed  
the present case. Rest of the paras the respondent No. 1 has admitted in  
total and has affirmed and accepted the work done by the petitioners  
and the wages earned by the labourers/petitioners to the tune of  
Rs. 12,39,000/-. The respondent No. 1 has also stated that the representatives  
of the respondent No. 2 had visited at the work site so many times to check  
the work done and ensured the release of the wages of the applicants/  
workers at the earliest but after completion of the work the respondent  
No. 2 failed to keep their wages but did not make the payment of the earned  
wages of the labourers. The Respondent No. 1 even has sent a legal notice  
to the respondent No. 2 for the payment of the withheld wages of the  
applicants and still no response was received from the respondent No. 2  
with the result the poor labourers have suffered and have filed the present  
petition. The respondent No. 2 has shown his arrogance and irresponsible  
attitude towards clearance of the wages of the applicants which has made  
him to suffer and face the wreath of the poor labourers and ultimate these  
poor workers suffer who had put in their hard work and sweat in the  
completion of the work of the respondent No. 2 within the stipulated period  
of time.

**In the premises of the above facts and circumstances the  
Respondent No. 1 has prayed before the Hon'ble Court that  
instant petition kindly be allowed in favour of petitioners and  
Judgement be passed against the Respondent No. 2.**

The respondent No. 2 did not made their appearance in the Court with  
the result they are set in on an ex-parte and the petitioners were directed to  
produce their evidence in support of their claim application which they did.

The petitioners in support of their application produced their evidences  
before this Court/Tribunal and in addition to that they have also produced  
three (3) independent witnesses namely 1. Mohammad Aslam S/o Qasim  
Din R/o Majrakund, Tehsil Mahore, District Reasi, 2. Aslam Din S/o Wali  
Mohammad R/o Majrakund, Tehsil Mahore, District Reasi ; and  
3. Manzoor Hussain S/o Sher Mohammad R/o Dandota Neeli Mitti, Tehsil

6 The J&K Govt. Gazette, 7th Feb., 2019/18th Magha, 1940. [No. 45-8  
Kotranka, District Rajouri who have backed up their version and in their  
cross examination have stated the same as they have averred in their own  
evidence in the shape of affidavits.

The independent witnesses also stated that the petitioners have paid  
from their own pockets to the engaged labourers by taking a huge loan at a  
whopping rate of interest 13% but the petitioners have been victimized for  
their no fault and at the cost of respondent No. 2 who has willfully and  
deliberately avoided the claim of the petitioners and willfully and deliberately  
absented themselves and appearance in the Court. However this Court  
passed orders for setting aside the ex-parte proceedings against the  
Respondent No. 2 on 25-08-2017 and they filed preliminary objections on  
20-11-2017 as under :ô

The Respondent No. 2 in their objection have maintained non-  
maintainability of the present petition on the ground the present  
application has been filed much later than the cause of action has  
accrued against the respondent No. 1 as the work of the said project  
and the attendance of the petitioners clearly depicts that they have  
worked till 28th February, 2009. The present petition has not been  
filed within the prescribed period of 12 months in terms of section 15  
of the payment of Wages Act nor have satisfactorily described the  
cause of delay hence the present application is time bared and is liable  
to be dismissed.

The other point raised by the Respondent No. 2 is that the case is not  
maintainable so far it relates to the respondent No. 1 because there is no  
cause of action accrued against the respondent No. 2 as there is no nexus  
between the applicants and the respondent No. 2 as the applicants have  
been engaged by the respondent No. 1. Therefore have prayed for the  
dismissal of the application against them. However they have stated that  
the cause of action accrued to the petitioners if any is against the respondent  
No. 1 and not against the respondent No. 2 who have engaged them. Further  
they have stated that the respondent No. 1 has engaged the petitioners as  
alleged and so the petitioners and respondent No. 1 have entered into an  
agreement and so there is an established relationship of Employer and

No. 45-8] The J&K Govt. Gazette, 7th Feb., 2019/18th Magha, 1940. 7  
Employee between petitioners and respondent No. 1 as the respondent  
No. 1 being the employer is therefore responsible to pay the wages to the  
petitioners as per the section 3 of payment of Wages Act, 1936. So it is the  
respondent No. 1 who has to pay the wages to the petitioners and also  
responsible for waving his contractual liability hence decree may kindly be  
passed against the respondent No. 1 and the present application be dismissed  
qua the respondent No. 2.

After perusing the record and the documents placed on the file this  
Court observes that the Respondent No. 2 has entered into an agreement  
with the Respondent No. 1 for undertaking and execution of work allotted  
to the Respondent No. 2 by the appropriate Authority within a stipulated  
period of time and after fixing the rates of wages for the workers to be  
engaged for its execution and completion. Accordingly the Respondent  
No. 1 in terms has engaged the labourers for the execution and completion  
of the work allotted to the Respondent No. 2 at the specified terms and  
conditions of work and the rates of wages. The labourers/workers applicants  
completed the work done after putting in their hard work and sweat within  
the time of two months but unfortunately their wages were not paid to them  
which they were legally entitled to after the completion of work. The  
Respondent No. 1 after exercising his approach to personation Thus the  
respondent No. 2 did not release and pay the hard earned wages to the  
applicants failed in his exercise to clear his liability refused the applicants to  
clear their liability because of the non-payment of his bill by the respondent  
No. 2 with the failure of the petitioners in getting their due wages from  
respondent No. 1 they filed the instance petition before this Court under  
section 15 of the Payment of Wages Act for its recovery of unpaid and  
delayed wages along with the interest and compensation.

The content of the Respondent No. 2 as stated in their objections, the  
Court feels, has no credibility and validity in the eyes of law because in fact  
they are the principal employer who have engaged the petitioners/applicants  
through the contractor Respondent No. 1 for undertaking and execution of  
their work allotted to them by the Appropriate Authority. So it is the  
Respondent No. 2 who is wholly and solely responsible for making the  
payment of the hard earned wages of the applicants. Section 3 of the payment  
of Wages Act, 1936 makes it amply clear that it is the employer or his

8 The J&K Govt. Gazette, 7th Feb., 2019/18th Magha, 1940. [No. 45-8  
representative responsible for the payment to persons employed by him of  
all wages. Further section 21(4) of the Contract Labour (Regulation and  
Abolition) Act, 1970 specifically makes the "principal employer" liable to  
clear the wages of the labourers engaged by his contractor. To facilitate this  
provision of Law reads as under :

#### **CONTRACT LABOUR (REG. AND ABOLITION)**

**"Sec. 21(4). Responsibility for payment of wages-(4) In case the contractor fails to make payment of wages within the prescribed period or makes short payment, then the principal employer shall be liable to make payment of wages in full or the unpaid balance due, as the case may be, to the contract labour employed by the contractor and recover the amount so paid from the contractor either by deduction from any amount payable to the contractor under any contract or as a debt payable by the contractor".**

In addition to the above the Jammu and Kashmir Contract Labour (Regulation and Abolition) Rules, 1972 casts a duty under Rule 72 & 73 upon the principal employer to ensure the protection of the rights of the labourers and timely payment of their wages in presence of his authorized representative which the Respondent No. 2 has never done. Merely saying that they have made the full payment to the contractor without producing any document or proof is a vague statement and misleading fact before the Court. It is the "Principal Employer Respondent No. 2" who is all along responsible and liable to make the payment of the withheld wages of the petitioners in pursuance of the above mentioned provision of laws. Of course a close relationship of employer and employee do exist between them and the labourers (applicants) who were engaged through the contractor cannot escape their duty and responsibility to make payment of the delayed and withheld wages of the applicants. Why the Respondent No. 2 does not understand it that it was the work of the respondent No. 2 who they got it done through Respondent No. 1 by engaging the applicants. So Respondent No. 2 as Principal Employers are held responsible and liable to make the payment of the wages of the petitioners.

The award is passed accordingly in favour of the applicants and against

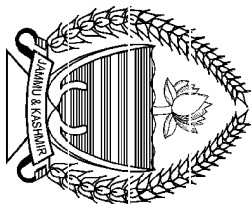

The award is passed accordingly in favour of the applicants and against Respondent No. 2 who is held liable to cause delay in making the payment to the applicants and made them to suffer for their no fault. Accordingly the award is passed in favour of the applicants (Petitioners) and against the Respondent No. 2 is directed to deposit the delayed an amount of Rs. 12,39,000/- with this Court/Tribunal within a period of 30 (thirty) days for onward payment to the petitioners/applicants. Further this Court/Tribunal also lays a Compensation of Rs. 3000/- against them in terms of section 15 (3) for causing unnecessary delay and withholding of the hard earned wages of the applicant without any rhyme and reasons. Failing which the applicants (Petitioners) are entitled to interest @ 8% per annum. The file after due completion be consigned to records under rules.

A copy of this award be sent to the Government of Jammu and Kashmir through its Commissioner/Secretary, Labour Department for information and publication in the Government gazette.
